

CALL FOR STAKEHOLDER INPUT

Alliance for Water Stewardship Audit (AWS)

Site registration reference: AWS-000420

SGS plans to conduct the AWS certification audit of British American Tobacco Kenya PLC's Green Leaf Threshing Plant (GLTP) located along Garissa road, off Oloitiptip road in Thika.

The audit will be carried out to assess the GLTP's compliance against AWS Standard Version 2.0:2019 and is scheduled to take place on 25th and 26th November 2021.

Scope of the evaluation process

- Public notification and solicitation of comments from interested stakeholders
- Audit planning and document review
- Virtual assessment (due to COVID 19) of compliance to the AWS Standard
- Report describing the evaluation process and findings, forming the basis for the certification decision
- Certification decision

Call for stakeholder input

SGS welcomes comments on the compliance of the site to the AWS Standard.

Stakeholders should submit their comments in writing to the SGS audit team representative whose details are provided below. Stakeholders submitting comments shall clearly identify themselves and shall clearly define the interest they represent.
